

Call for proposals Climate Chance Summit Africa 2019

Welcome to the Call for proposals form of the Climate Chance Africa Summit to be held in Accra from 16 to 18 October 2019.

A call for proposals to feed the work of the Climate Chance Summit Africa

What is the call for proposals aim?

We call on you, non-state actors committed to the fight against climate change in Africa, to share your initiatives, innovations and actions on the continent. This call for proposals mainly aims to identify relevant actors and particularly good practices replicable on a large scale in Africa.

Local authorities, businesses, NGOs, trade unions, scientists, representatives from agricultural, youth, women and indigenous organisations, educators, citizens, you are all invited to take part in this call for proposals to:

- Strengthen African sectoral coalitions from the 2018 Climate Chance - Africa Summit in Abidjan by comparing your experience to other international experiences.
- Enhance the work of the 2019 Climate Chance Africa Summit in Accra by sharing case studies in order to analyse past successes and challenges
- Feed the Cartography for action in order to highlight initiatives from the African continent and disseminate them

Before you start, please make sure that the project:

- is undertaken by a non-state actor (business, NGO, local community, association, network...)
- Concerns one of the following topics: access to climate finance in Africa, Developing African cities in a sustainable way, Agriculture, food and reforestation in Africa, Renewable energy and energy efficiency in Africa,

Mobility and sustainable transport in Africa, Adaptation and Water in Africa, Sustainable Building and Construction in Africa, Circular Economy in Africa

For all inquiries or request for assistance, please contact us at contribution@climate-chance.org

Present your initiative!

It will be the main presentation text for your project. Don't hesitate to give details!

- What is the purpose of this project (1 sentence) ?
- Link to the project presentation or website
- Project location (It refers to the address at which you want to see the project on the map)
- Achievement level
 1. Ongoing research
 2. Published research
 3. Prospective study, market survey
 4. Feasibility study, diagnosis
 5. Modelling
 6. Ongoing financing
 7. Pilote operation, experimentation
 8. Launching
 9. Implementation
 10. Multi-site development
 11. Networking, internationalisation
- Project start date (month, day, year)
- Project end date (non-mandatory)
- What quantitative results have you obtained?
- What qualitative results?
- How was the project financed?

Multi-actor governance

Is this project undertaken in collaboration with partner organisations/people?

- Yes, this project is undertaken with partners
- No, this organisation works alone on this project

Partner organisation

- Name of partner organisation
- Name of a contact person
- Email

- Phone number
- Type of organisation
- Website
- Links to social media

Other partners/support

- Description (facultative)
- What are the other partners/supports of your project?
- What are the other partners/supports of your project?
- Photos and videos of the initiative. Share images and videos that you wish to see on your project page!
- Link to photos or videos presenting the initiative
- Do you allow us to use these photographs for the Summit?
- You can also send us photos, videos, documentation and logos for your online page at contribution@climate-chance.org
- Thank you for sending us at least one photograph to be used for presenting your project.
- You can also send us photos, videos, documentation and logos for your online page at contribution@climate-chance.org
